Overview

Front End Developer

DigitasLBi is a marketing and technology agency that builds complex digital marketing solutions delivered to a range of devices for an ever-growing portfolio of clients.

We are looking for a Front End Developer with proven industry experience in your craft skills, who is looking to use their expertise to influence our teams, and to learn from your colleagues to further your own knowledge and grow.

The Front End Developer will use JavaScript, HTML, CSS and other Front End Technologies to deliver our clients solutions. You will work in multi-disciplinary teams, bringing together strategy, creative and technology in agile programmes of work.

Responsibilities**We're looking for an enthusiastic Front End Developer to help us:**

- ◆ Code in JavaScript, HTML and CSS
- ◆ Apply and advance best practices
- ◆ Collaborate with colleagues clients
- ◆ Lead projects – architect using modern front-end stacks, and coordinate technical delivery
- ◆ Participate in the hiring and career development of junior colleagues
- ◆ Support and contribute to our clients' technical strategy

Qualifications**We expect our Front End Developers to have experience in:**

- ◆ Delivering demanding JavaScript, HTML, CSS for high profile client
- ◆ Using modern frontend stacks & tools, such as Backbone.js, Angular.js, Node.js, Grunt/Gulp, Jasmine, Handlebars, SASS, Git, etc

- ◆ Modern development processes – TDD, Code-reviewing, Agile
- ◆ Accessibility, Performance, Security
- ◆ Working closely with application developers
- ◆ We also expect you to genuinely enjoy your craft, to take initiative, and want to help do things better

Our front-end technology stacks typically comprise modern frameworks and tools - Backbone.js, Angular.js, Node.js, Grunt/Gulp, Jasmine, Handlebars, SASS, Git, etc. You will work closely with application developers delivering content management, data-driven marketing, search and e-commerce solutions.

Our approach is underpinned by a culture of strong development standards, TDD, continuous integration, peer review, test automation and replicable deployment processes.

We foster a creative and collaborative environment where expertise is championed, and questions push, challenge and stretch our teams and clients alike. Our Sydney Technology team sits firmly at the centre of the agency, with our technologists brought into client engagements from the very beginning, serving strategic and creative roles in addition to more traditional architectural, development, test and DevOps roles.

In addition to a competitive salary, a monthly reward scheme and the abundant opportunities that come from being an intrinsic part of one of the world's biggest and most respected agencies, you'll enjoy all the perks of our unique culture:

- An enviable setting in the heart of Sydney's digital landscape;
- Regular design surgeries to help you develop your craft even further;
- Regular talks and seminars from thought leaders in our industry and elsewhere – covering anything from fabric design to VR development;
- A close-knit team culture with myriad opportunities to socialize
- Opportunities aplenty in our wider global network, spanning 25 offices worldwide just in DigitasLBi alone (loads more when you factor in our Publicis.Sapient and broader Publicis Groupe colleagues).

About DigitasLBi

We have 40 offices in 25 countries, each one helping to upend and redefine the landscape of strategy, creativity, media and technology. We're pumped about the accolades we've earned – cue Titanium Lions, Gold Pencils and making LinkedIn's Most InDemand Employer List of 2014 – but what energizes us most is the people we work with, the clients we work for and the never-ending challenge that confronts us: Producing amazing creative, day after day. On top of great values, great people and great clients, we're proud to offer many great perks – things like flex vacation days, tuition reimbursement, gym membership discounts and anniversary gifts for the many people who've been with us 5, 10, 20 years and more. And while we celebrate those who've stuck by us and shaped us into the creative force that we are today, we're always looking for great new talent help us grow even stronger. If that's you, well, come join us.

DigitasLBi is an equal opportunity employer.
