Overview

The Front-end developer works on projects or campaigns, sometimes in dedicated teams, for our wide range of enterprise sized clients.

The Front-end developer works closely with other project development disciplines such as Creation, Back-end developers and Operations and external vendors and advisors and acts according company standards and values.

He also is keen on keeping his own skills up to speed and invests time in innovative developments.

The Front-end developer reports to the Competence Lead Development

Responsibilities

- ◆ Technology assessments, prototyping, design and implementation using a variety of Internet and mobile-centric technologies
- ◆ Working with product management and engineering teams to translate business objectives to product specifications using agile methodologies
- ◆ Working with product management to ensure designs and implementations are meeting customer needs
- ◆ Ensure product development is conforming to best practices as well as leading best practices efforts across the engineering organization
- ◆ Autonomously prototyping and presenting new ideas and technologies in the context of business solutions
- ◆ Assisting with mobile development
- ◆ Creating technical requirements from agile user stories
- ◆ Addressing UI/UX issues reported

Requirements

Education & Certification

- ◆ (Preferably) Bachelor in Computer science/Media/Engineering or equivalent experience

Knowledge & Experience

- ◆ Fluent HTML/CSS
- ◆ Javascript /Angular.JS / NodeJS
- ◆ Min 3 years front-end development experience
- ◆ Proven experience with Adobe Suite
- ◆ Experienced in working with GIT and JIRA
- ◆ Preferably experienced in working in Scrum teams
- ◆ Excellent communication and presentation skills (English is the working language)

Personal characteristics

- ◆ Keen interest in new technologies
- ◆ Creative spirit with a design drive
- ◆ Energetic and dynamic can do mentality
- ◆ Self-motivated and directed
- ◆ Service-minded

About DigitasLBi

We have 40 offices in 25 countries, each one helping to upend and redefine the landscape of strategy, creativity, media and technology. We're pumped about the accolades we've earned – cue Titanium Lions, Gold Pencils and making LinkedIn's Most InDemand Employer List of 2014 – but what energizes us most is the people we work with, the clients we work for and the never-ending challenge that confronts us: Producing amazing creative, day after day. On top of great values, great people and great clients, we're proud to offer many great perks – things

like flex vacation days, tuition reimbursement, gym membership discounts and anniversary gifts for the many people who've been with us 5, 10, 20 years and more. And while we celebrate those who've stuck by us and shaped us into the creative force that we are today, we're always looking for great new talent help us grow even stronger. If that's you, well, come join us.

DigitasLBi is an equal opportunity employer.
