Two agencies in one!

Vitamin T is a division of Aquent, built to service agencies and mid-sized customers. Meanwhile, Aquent works with huge global brands (in fact, 2/3 of the Fortune 500). So when you sign up with either brand, you get access to jobs across both!

Freelance jobs with full-time benefits

We provide access to medical, dental, vision, 401(k), flex spending, weekly direct deposit, a robust rewards program and more—we even subsidize the cost of healthcare for every hour you work! Enjoy the freelance lifestyle with full-time benefits. (Some benefits US and Canada only.)

Free online training courses

We don't just find work for digital creative talent, we use our access to clients around the globe to learn trends that keep your skills updated. Aquent Gymnasium is self-paced online training in the hottest digital creative skills—and it's free!

Interactive Designer

[&LOCALE=EN_US&UTM_SOURCE=&UTM_MEDIUM=REFERRAL&UTM_CAMPAIGN=%28NOT+PROVID](#)

Feb 23, 2017

Western Suburbs

Permanent

Agent: Miles G.

Job #: 114587

Job Description

Our amazing client is looking to add an Interactive Designer to their team in the Western Suburbs. Are you a born leader with the ability to take control of creative projects and add direction and insight as needed. Do you thrive in for a fun, collaborative atmosphere...then this is the environment for you! Did I mention there's whole room full of games? Interested? Apply today!

Responsibilities:

- Produce exceptional work for assigned projects that can be executed across multiple channels, (emphasis on digital, email marketing, social - but can also include print, packaging, and collateral)
- Design key art elements and produce all assets needed for projects.
- Lead motion graphic and animation initiatives.
- Pitch and present ideas to the Marketing Manager/Business units by constructing mock ups, style frames, storyboards.
- Mentor and coach less experienced team members.

Skills required:

- +2-4 years' experience with an advertising or design company supporting interactive and print design initiatives.
- A strong portfolio of creative that demonstrates originality, innovation, problem-solving, and personal expression.
- Proficiency in Photography, Videography, Prezi, and WordPress/CMS
