## **JOB DESCRIPTION:**

Our client is a large financial institution in the Chicago Metro area and they are looking for a Senior Digital Designer to join their internal creative services team for an on-going, long-term contract.

This role is 40 hours a week onsite and health benefits and 401K are offered through Aquent.

This Senior Digital Designer role is a hands on role in a highly collaborative environment where the designer will be responsible for coming up with concepts and contributing to the brainstorming process and ideation. Must be well versed in direct response, online advertising, web banners, print ads, integrated marketing communications, strategy, and ideation. Experience with responsive web design is a must. This is a fast paced environment and experience within financial services is a plus.
