Job Description

VML is a full-service global advertising agency where it's not just the job you want but who you are that matters. Because VML is all about putting everything you are into everything you do.

We're currently searching for a senior designer. Designers at VML are self-motivated individuals with a positive attitude who create in a variety of media – websites, social media, online advertising, mobile apps and more. They are responsible for taking the lead and driving projects from an execution standpoint, and must have solid design and software knowledge.

As part of the WPP Group, VML offers one of the best overall compensation packages in the business. Headquartered in Kansas City, VML is an Equal Opportunity Employer. To learn more, visit www.vml.com.

Required Skills

- Solid concepting and design chops plus interactive know-how
- Visual communication skills that will knock our socks off, including graphic design and typography
- Ability to work collaboratively in a fast-paced environment
- Strong attention to detail and process
- Intermediate software skills in Flash, Photoshop, InDesign and Illustrator
